Mr. Manuel Roderick of the State Department of Recreation conferred with the Board of Selectmen regarding damage to the wharf parking area and wharves. He said that he has made application for Federal Disaster Relief funds to help restore the parking surface and for gunnite to restore undermined wharves.

#### CETA COORDINATOR URGED

Mr. Al Roy of the New Bedford Consortium of CETA proposed that Selectmen hire a coordinator together with Rochester and Marion to handle the paper work and to try to create

new projects in the town to beautify. He said that the coordinator would seek out needs not now realized and would look for places to funnel monies. In addition the coordinator would be a communication link between CETA employees and the consortium for projects to run to September 30th of this year.

Following Mr. Roy's presentation, the Board of Selectmen discussed the proposal and reaffirmed their previous position that the town has no need for a coordinator. They will send thanks to Mr. Roy for coming to talk it over.

#### SEWER WORK UNDERWAY

vis, Senior Vice Commander Charles Duponte and Vice Commander William Francis to proclaim the week of March 12-18 as American Legion Week on the occasion of that organization's 59th anniversary. In the proclamation the Board of Selectmen noted that the Legion now numbers some 2.7 million veterans having been founded shortly after the cessation of World War I. The men and women of the Legion who served honorably during one of the four wars of the twentieth century have chosen "We Dare to Care" as a theme for its anniversary. The proclamation recognized the significant contributions of the Legion to veterans, the country's children and youth, and American thought and deed. It noted the endeavors of the Legion to strengthen our freedom and perpetuate our institutions as one of the great bulwarks of the American way of life which has achieved a position of high esteem through programs of service to community, state and nation.

In concluding the proclamation the Selectmen called upon all citizens, businesses, houses and organizations to an expression

Fresh from divisional Barbershop Harmony singing contest rehearsals the group is certain to be in peak performance. The Barbershoppers who belong to SPEBSQSA receive no monetary reward for their singing activities even though their performances are always of professional quality as evidenced by the perfection of the execution of the Barbershop 7th - the chord which is the cornerstone of barbershop style and which takes years of training to perfect.

The Harpoon Harmonizers, who range in age from 18 to 83, also participate in the SPEBSQSA International Service Project which is the "Institute of Logopedics" in Wichita, Kansas to help children who are afflicted with speech defects. Their motto is "WE SING THAT THEY SHALL SPEAK".

Club members are encouraged to bring as many guests as they like - fill the hall for this grand musical occasion. Anyone desiring further information may call Club President Marlene O'Neill at 758-4623.

Local Legion festivities are being planned by a committee under the chairmanship of William Francis.

The American Legion was founded March 15-17, 1919, at a meeting in Paris, France attended by representatives of the various outfits of the American Expeditionary Force of World War I. The organization has since opened its ranks to veterans of World War II, the Korean War, and the Vietnam War. From its modest beginning in 1919, the Legion has grown into an organization of 2.7 million war veterans belonging to nearly 16,000 posts located throughout the United States and in many parts of the free world.

As part of its preparation for the 59th anniversary observance, Post No. 280 is putting the final touches on its 1978 membership campaign, Commander Davis explained. He reminded all eligible veterans in surrounding communities that American Legion growth and accomplishment can be attributed to a simple phrase that is this year's theme - "We Dare to Care".

"Membership in the American Legion gives the veteran an opportunity to respond and become involved with the needs of the com-

## High on The Croc

Editorial, D.C.J.

In the beginning total power was held by the robber barons who exploited their labor with inhuman working conditions, long hours and poor pay. Total power has now revolved full circle. The robber barons are long gone but the struggle continues. The public is the target; paying, through both inflation and high prices, for labor's demands upon industry and business and in direct taxes for the mounting demands for public services.

Since our state government has seen fit to introduce these conditions into the school system, it is inevitable that impressionable pupils should take part in the battle against the public and disrupt the teaching progress.

There is an old fable about the ravenous crocodile who ate his own tail. It was good as long as it lasted. Judging from the collapse of the dollar's value in the world, perhaps labor is eating high on the croc.

To My Friends, Patrons and Family,

I would like to sincerely thank everyone for their assistance, cooperation and thoughtfulness during my recent Marathon. Without their help, it would not have been the success that it was. A special thanks to the Mattapoissett Police Department for their faithful service.

The S.I.D. Foundation informed me that it was the largest donation ever received from a single endeavor. It has been a very rewarding and heartfelt experience and in many ways I am sorry it had to end. I met many new people, made new friends; also, I became much closer to my faithful clientele and found a whole new meaning of love for my fellow people.

Again, I extend my deepest appreciation and gratitude for knowing and serving such wonderful people.

## DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; It's new customers we are looking for.

pecially those of you who are taking advantage of the lunches being put on under the Nutrition Program.

The Mattapoisett Elderly Nutrition Program is now being served by a new caterer, Louie's on the Wharf. Judging from the reactions of most of the diners, the food is well prepared and attractively served. There is a noticeable increase in the number of Seniors taking advantage of the program.

However, the number of lunches being delivered each day is exactly the number of reservations made for the day. There are no extra lunches sent for "drop-ins". Reservations must be made at least two days in advance. Reservations may be made by calling the American Legion Hall (telephone 758-2550) between 9:30 and 1:00 Monday through Friday.

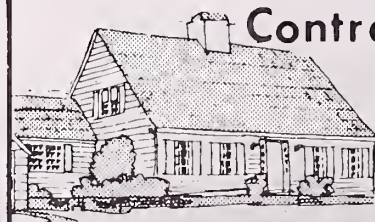

Meals on Wheels are provided under the same program for Seniors who are shut-ins.

It is of prime importance to notify the Nutrition Program if, for any reason, a meal reservation must be cancelled. This should be done as far in advance as possible, as two days is needed to change the reservations with the caterer. However, Addie Santos, our lady in charge, advises that even if an emergency arises at the last minute, she would like to know that you are

It's Spring musical time again at ORR, and this year's production, "Anything Goes", is almost ready for the public stage. The credit for this incredible feat goes to the many talented actors and actresses who have devoted long hours towards perfection. Special thanks goes to Mr. Robert Reinhausen who has worked hard arranging the complicated vocal parts and also Mrs. Tibbets whose piano playing ability has helped tremendously. Many others have contributed to the play by giving their time and talents; to these people, the cast and crew would like to extend a warm thanks. The talents of these people and many others will be on display March 31st and April 1st at 8:00 P.M. in the Gilbert D. Bristol Auditorium. ### MEMORANDUM FOR MATTAPoisETT RESIDENTS

Postcard forms have been mailed to those residents who use town water service and who own the home in which they live, in order that the water meter reading may be recorded thereon and mailed to this Department. The card is prepaid, addressed and ready to enter the reading in the blocks provided, sign and mail. Will you please complete yours now? The success of this "reading by mail" project rests on the early return of this information.

We have not included commercial buildings, those occupied by tenants, those whose meters are read from the outside of the building and those few who were either unable or chose not to participate in this program.

The following information is furnished for those who may not have noticed the water meter before this: 1. Meter usually located immediately after the water shut-off valve where the pipe enters the cellar.

#### FUNDS FOR "THREEPENNY OPERA"

Funds to offset the major costs of the current production of "Threepenny Opera" at the Marion Art Center have come from the Massachusetts Council on the Arts and Humanities. This grant has made the expenditures for director, royalties, music and costumes much less of a burden allowing the Art Center to use the profits from this play to help renovate and restore the old Universalist Church building (circa 1800).

#### "Finian's Rainbow"

: A BIG, SPLASHY SUCCESS

Reviewer: Edith Byrnes

Many may recall Ella Logan and David Wayne singing E.Y. Harburg and Burton Lane's folk lyrics from "Finian's Rainbow" in the late 40's.

Gateway Players have revived this glorious show with Mattapoissett's Sally Jones and Kevin Michael Feeley as the leprechaun absolute perfection in this festive, tune-filled hit.

The plot is mild melodrama and satire which gets its digs at corrupt politicians and communal revitalization. In Finian's case the songs are the thing and they are simply beautiful: "How Are Things in Glocca Mora", "That Old Devil Moon", "Look to the Rainbow", "Something Sort of Grandish", "Necessity", "The Begat" and "That Great Come and Get It Day".

THIS AREA'S OLDEST AUTHORIZED G.E. DEALER. SERVING THE GREATER NEW BEDFORD AREA OVER 50 YEARS

The Gateway Players cast is thoroughly professional. Al Theodore plays a sincere and lyrical Finian. Jim Bruce is a vocally strong and virile Woody. Jo Fletcher builds the small part of Diana to high vocal heights nicely assisted by youngsters Raymond David Cardoza and Bonnie Boynton. Paul Hebert, Tony Parente and Frank Tonge are properly villainous. Larry Bennett is sheer travesty as the bigot Senator Rawkins.

Supporting cast Hilda Hall, Sandy Jackson, Barbara Pajunen, Mary Hough, Irene Forst are rebounding mirth and the chorus of 20 sounds like they are preparing for the City Center. Charlene Post stops the show twice as Susan, the Silent with her dance of the "Golden Crock" and "When I'm Not Near the Girl I Love" partnered with Mr. Feeley.

Frank Kiman's lavish set resembles a New York production. Paul Holden's orchestration with Amelie Fleetwood (flute) and Steve Ready (drum) as professional as any summer theater effort. George Hayden adds another shamrock to his long list of year-round directorial successes.
